Report of Nature Trail  
Organized by Nature Club members of Shvocc

Motto: To love & live in the nature

Objective: To Connect with the nature and protect the nature.

Report:-

- On 10/10/2017 at 7:00 am all the 25 members of nature club came to the college for nature trail at Nandanvan resort.
- 25 students, 2 teaching staff started the trail at 8:00 am
- We reach the place at 10:30 am and started the trail
- All the students were guided by Mr.Ganesh Gaikwad there.
- We headed to Vivek agro city with Mr.Gaikwad. A 250 acre natural farm, where student were given information about organic farming variety of crops.
- Students were also given information about the compost manure, natural fertilizer its preparation.
- They were also given information about the various hybrid breed of Goat, Cow, Sheep and some rare animals and birds which are not of Indian origin.
- Students were also taken to Bamboo mart which is an authorized centre of Maharashtra Skill Development Scheme (Rural). Where village people are trained to prepare bamboo furniture, showpiece and Warli painting for their livelihood.
- There was also a session of Mr.Rakesh Adhikari incharge officer at Vivek Ayurvedic centre who give lecture on Ayurvedic plants, medicinal plants there importance and uses.
- Students were given mint leaves by Mr.Adhikari as students were feeling heat in the afternoon and told its importance.
- They were also given the information about Ayurvedic medicine and many students bought few products from the centre
- Finally the students left the Vivek Agro city at 4: 30 pm and reached the Nandanvan resort at 4:45 pm and we left for college at 5:00 pm.
- We reached college at 6:30 pm and ended with the trail dispersing all the students properly.
