

### Community driven Approach

AS the earlier objectives of higher education was focused on knowledge and innovation development and with present paradigm shift skill development, thus college is focusing on same in alignment.

- 1) Started Oswal PMKVY Skill Development Centre in collaboration with EICI (Express Industries Council of India, Leader in International Courier Services)

**Goal: To make Bhiwandi textile and logistics sector organized one and create certified trained workforce and provide opportunities to drop outs and needy people.**

Practice: As Bhiwandi is warehouse hub, 70% people working in the warehouses belong to underprivileged society and mostly school and college dropouts. With the aim to convert unorganized logistics sector to organized one with creating the trained workforce, college has initiated a collaboration by formal MoU with EICI for providing training to the potential and existing workforce working in logistic sector in OSWAL PMKK SKILL CENTRE which was set up in Oct. 2019 with the Seven job roles training.

For this Training of trainers programme was conducted for college staff from 27<sup>th</sup> to 31<sup>st</sup> May, 2019. The trainer from Logistic Skill Council of India (LSC) Mr. Barucha (Corporate Trainer) conducted training for Seven job roles of Consignment Booking, Consignment tracking, Courier

Delivery Executive, Warehouse Picker, Warehouse Picker, Inventory Clerk and Documentation Assistant, etc Eight faculties were trained altogether.

The infrastructure for providing training to candidates was developed on the second floor of the college building by converting four class rooms into 11 skill development classroom, lab and hybrid classrooms. The infrastructure development work was completed by sept. 2019.

The Inauguration of Pradhan MantriKaushal Kendra (PMKK), Skill Development Centre was organized on 22<sup>nd</sup> Oct. 2019. Following is the job role wise enrolment details:

Sr. No	Batch job roles	Date of Commencement	Date of Completion	Date of Exam	Date of Result Declaration	No. of students Registered	No. of students Appeared	No. of students passed
1	Warehouse Picker	4/11/2019	20/12/2019	21/12/2019	5/1/2020	30	25	25
2	Warehouse Packer	4/12/2019	27/01/2020	3/2/2020	Awaited	19	16

4	Documentation Assistant	15/02/2020	Suspended due to nationwide lockdown from March, 2020					

### Evidence of Success:

The OSWAL PMKK Skill Centre, has successfully conducted 4 training batches till Lockdown announced by Government. The Life skill development among the candidates was imparted through interactive mode of teaching, team building activities, etc. The Candidates were given opportunities to participate in all activities of the college like Republic Day, Annual Cultural Programme, etc as to improve their confidence level and positive attitude.

*Stationery distribution by Principal to first batch of PMKK Warehouse Packer batch*

*Farewell of First Batch*

*Inventory Clerk Batch orientation by corporate house*

### **Problems occurred:**

The tedious documentation formalities resulted into resistance in enrolment as some people do not have adequate documents.

Some candidates are not able to provide time as they were pre occupied with the job

Lack of awareness among people for training and development, which resulted in more resistance to enroll though approaching individuals by personally visiting villages and city wards.

Enriching minds of the people for enrolling the course was the challenging task.

### **2) Reaching to unreached by connecting to community through flipped mode of teaching learning**

**Goal: Effective use of Online for reaching to unreached with application based teaching learning**

#### **Practice:**

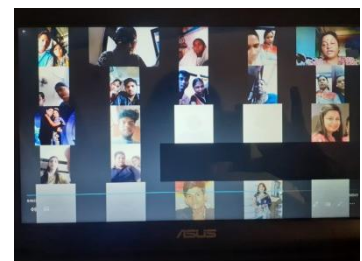

As the Lockdown announced by Government of India due to COVID 19 Pandemic in March 2020, during this period higher education institutions started online, our college also started going online, The college functioning was steadily converted online.

The work from home initiated. The Students lectures and remedial coaching was conducted online via video conferencing app Zoom. To create awareness and adoption of precaution against COVID 19 disease, the Principal conducted joint parents students meeting online.

The Regular update of work assigned was taken during online staff meeting. Along with this regular conduct, though the college being in Bhiwandi, through online virtual mode college could reach to communities at far places.

#### **Evidence of Success:**
