I am having only a single problem that the principal mam charges \*fine\* on late payment of any kind of fees that should be not done  
EVEN WHEN WE ARE ON TIME AND THE OFFICE IS NOT OPEN THEN WHAT'S OUR FAULT IN THAT CASE AND THEN ON THE NEXT DAY THE STAFF CHARGES THE \*LATE FEES\*

To Be Honest, Mitesh Sir is the Best Principal I Have Ever Seen. Its Very Lucky and Proud to have a Principal Like Him.

The Principal should provide rule for providing daily notes in unofficial group It will help students to do study in easy way and many students are working as well and doing CA and CMA courses also so it will help those students who are not coming college on daily basis.

Please add some more activities

Nice college

Some of the improvement need

Every thing is perfect

No suggestions

All facilities are provided but they should provide more internet service.

The Classes like of TYBcom which had huge crowd should be divided into the divisions so that there can be an easily sharing of knowledge. Also Library should have other knowlegeable books like School library has, Also one more thing I would like to suggest that college should have Electronic Blackboards So that these can be Connected to the Laptops which may be helpful for teachers in their teachings through PPTs and also student may get opportunity to learn in a very amazing way.

No suggestion

Everything is good  
We have been learning AFM from Pooja Miss from Sem-II and it has been a great experience. Ma'am is a very logical teacher who puts a lot of logic into how she teach the concepts/theory. Her lessons were engaging, useful, she was very patient with everyone in class always encouraging us to try. I am really satisfied with Ma'am's work. Just a bit of my personal opinion, sometimes it feel boring during lectures as Ma'am repeats the same part many times and sometimes we feel very sleepy during lecture, I guess it maybe due to the classroom environment and morning hours which makes us feel like that.

I have been learning Commerce Paper from Swapnil Sir. I have learned so much in my lectures with Swapnil Sir. He paces the class just right so you feel challenged but not overwhelmed. So many other classes you just read from a text book but in his classes he asks questions and gets the students to respond which is both practical and promotes faster learning. He is patient and really excellent at his work. I feel really blessed to have a teacher and mentor like him.

Everything is good

We all have been learning FC and Business Economics from Kailash sir and it has been a great experience. He is very great at teaching human emotions, values, ethics and overall great at teaching about philosophy which is many times helpful for us to understand FC from a practical perception. His lessons were engaging, useful, and he was really very patient with everyone in our class. I really respect him for his patience and tolerance, as being a class teacher of most misbehave full students it is very hard to hold such a attitude. Suggestions: Many of my mates and myself were unable to learn Business Economics according to the given concept, there is a major room of improvement for Sir to grow his teaching skills in Technical aspect and we hope so to learn technical subjects in a fun way from further semesters.
