Sub: Regarding books on Inter Library Loan facility

Dear Sir,  
Greetings!

I have been a student of BNN College and I know that our college Library is one of the best in terms of book collections and other related resources, I have a request for cooperation and collaborative initiative.

As you are aware that resource sharing is best practice promoted by UGC and government. On the same line Library resources sharing is common practice among the Mumbai university affiliated neighborhood colleges. This creates a win-win situation for both the organizations and gives opportunities and scope for better learning. Hence keeping in alignment with same, for the benefit of students and staff of my college, I request you to please arrange for books on loan basis from your esteemed Library to our college Library for reference purpose. I shall be grateful if Commerce related books and also Journals can be shared for study purpose. A proper procedure shall be followed for screening and forwarding the request for the implementation of the said facility.

We assure you that adherence to the norms for returning books and journals shall be strictly followed. Please do the needful & oblige.

Thanking you
